Annual Keep Hampton Roads Beautiful Golf Tournament Chesapeake, VA

KEEP VIRGINIA BEAUTIFUL

Virginia Green is the Commonwealth of Virginia's campaign to promote environmentally-friendly practices in all aspects of Virginia's tourism industry. **Virginia Green** has established "core activities" specific to each sector of tourism, and these practices are considered the required minimum for participation in the program. However, **Virginia Green** encourages its participants to reduce their environmental impacts in all aspects of their operations, and this profile provides a full list of all their "green" activities. These are the activities that guests / customers can expect to find when they visit this facility.

Annual Keep Hampton Roads Beautiful Golf Tournament

The greening of our event is simply a function of Keep Virginia Beautiful's missions and supports our continuing partnership with Virginia Green.

Stonehenge golf course has implemented various green practices, such as use of organic fertilizers and reduced pesticide use.
